

# CUSTOM WEBSITE DEMONSTRATIONS

We **WIN** our potential, new customers business by **SHOWING** them a custom demo of their website. We take the risk away from them!

**Why?** Because it is the easiest and fastest way for us to make a sale.

**How?**

- 1) It starts with a free website and internet marketing consultation. We can do this over the phone or in person.
- 2) They let us know what they want to spend for developing their website and internet marketing services.
- 3) We create their custom website demo and show it to them. They decide if they want to buy it only **AFTER** they have seen it!
- 4) They buy it (it is within what they specified for a budget) **OR** they don't buy it and they owe us **NOTHING**.

**DETAILS?** We **NEVER** ask for a credit card and we **NEVER** send a bill. You only provide your credit or debit card info IF you decide to buy. We accept checks and cash as well ...

## CAN YOU BUILD YOUR SITE YOURSELF?

**YES!** If you want to, you can use the same program that we use to build your own website and then you don't have to pay us to do it!
